

SOLUTION BRIEF · GOVERNMENT & STATE

Future Proof for *government & state.*

Roll out adaptive learning across a state – with the analytics a secretary needs and the compliance an auditor expects.

7 regions **4 weeks** **99.7%**

LIVE DEPLOYMENT TO FULL ROLLOUT UPTIME

What you get

- One global core + regional regulatory layers, auto-applied by location
- Per-region retention heatmap and decay forecast for the board
- Compliance: overdue tracking, audit-ready exports, data residency
- Multi-language AI content; offline & low-bandwidth ready
- Deploys cloud, on-prem, or air-gapped

Volume pricing from \$1.20 / learner / month · 90-day pilot, no rip-and-replace. Book a walkthrough at future-proof.app/contact
